

## Variation of competition date

Please complete the information below and return by fax. We will respond by email or phone.

Note: Schools may only complete the Competition **after** the official Competition date, not before. Requests for variation to the date must be made by submitting the **Variation of date form** and be agreed to in writing by ASI. There is no guarantee that Answer Sheets will be processed if received later than the due date or the date agreed to by ASI. Students sitting the competition following the publicised date of the competition will not be eligible for the award of ‘top scorer’.

Schools wishing to vary the date of the Competition must ensure that all students sit the competition at the same time.

Should you have any further enquiries, please contact the ASI office.
