IGNITE YOUR PASSION

“ —

It was a lot of hard work and fun, but overall it was just great to be able to meet 'like-minded' people. The tutors were awesome too! It opened my eyes to opportunities in science and pushed me to my limits, helping me reach my full potential.

Are you interested in:

- Challenging yourself academically and personally?
- Exploring far beyond high school science?
- Making new friends and learning in world class facilities?

If you answered yes to these questions, you could be our next **Science Olympian**.
